Code42 University

All-Access Education Pass

Code42 University's All-Access Education Pass (AAEP) is the most effective way for Code42 administrators to attain the skills necessary to configure and maintain Code42 enterprise software. The AAEP offers Code42 education via a dynamic online learning platform with access to progressive on-demand sessions as well as virtual and classroom instructor-led classes with hands-on labs.

The Code42 AAEP is a per-user annual subscription that provides one named learner unlimited 12-month access to the entire Code42 University course catalog, including self-paced virtual and classroom instructor-led courses.

FEATURE	BENEFIT
<ul style="list-style-type: none"> Instructor-led virtual or classroom courses On-demand learning Progressive content Annual subscription 	<ul style="list-style-type: none"> Interactive sessions with hands-on labs to experiment with the latest versions of Code42 software in a controlled environment Continuing education on the learner's schedule, available 24/7 Frequent content updates to keep skills current Predictable yearly budgeting of cost-effective education subscription
